

Towards world-class clusters in the EU  
Challenges, Objectives, and Actions

Nikos PANTALOS  
Policy Officer, "Support for Innovation" Unit

European Commission  
Enterprise and Industry

Facts, new challenges, objectives

- ✓ Clusters are important drivers of innovation
  - ✓ Many clusters and cluster initiatives exist in EU countries - Fragmentation

*New Challenges: Globalisation – increasing competition; open innovation, more specialisation*

Excellence and Collaboration !

to get more **world-class clusters** in the EU
