AEROSPACE VALLEY SUPPORTS YOU...

Grow contacts, keep up with the latest news of your sector, foster the emergence of innovative projects, label your project, identify technological expertise, finance an R&D project, obtain private financing, develop internationally and on new markets...

BOOST YOUR INNOVATION DYNAMICS

Make the most of the cluster's support throughout your innovation journey.

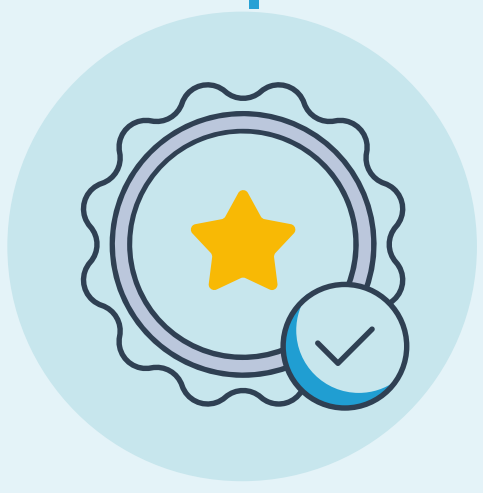

1 EMERGENCE OF INNOVATION PROJECTS

- ▶ Take part in our Calls for Expressions of Interest or our challenges to promote your skills and launch your innovation projects.
- ▶ Keep updated with the monthly newsletter "Financez vos projets" and regular insights into French and European public funding opportunities.
- ▶ Join open innovation challenges that connect providers of innovative solutions with end users.

2 STRUCTURING YOUR PROJECTS

- ▶ Take advantage of the Cluster's support in building regional or European consortia.
- ▶ Benefit from the Cluster's expertise to align your projects with your technological roadmaps and markets.
- ▶ Use the Cluster's expertise to find out the financing solution that best suits your needs.
- ▶ Strengthen your application for public funding thanks to coaching from the Cluster's teams.

3 LABELLING OF YOUR PROJECTS

- ▶ Increase your chances of success by labelling your projects. This evaluation by your peers, via a labeling committee made up of companies and laboratories in the sector, will give your projects greater visibility, particularly with innovation funders

Being supported and labelled by Aerospace Valley is doubling your chances of success and access to funding for your innovation project.

SUPPORT TO REACH EUROPEAN FUNDINGS

- ▶ Access to a network of partners across Europe.
- ▶ Guidance and support in the preparation of your project proposal in response to European calls.
- ▶ Awareness-raising on European funding for innovation.

SUPPORT TO YOUR STARTUP PROJECT

- ▶ Accelerate the growth of your startup with District by Aerospace Valley.
- ▶ Incubation of your space-related start-up with ESA BIC Sud France.
- ▶ Support in seeking private funding to support your development projects through innovation.

MULTIPLY YOUR CONTACTS AND INCREASE YOUR VISIBILITY

- ▶ Participate in events organized by the Cluster (over 100 events per year) including networking meetings, theme-based days, webinars, and Forum by Aerospace Valley, InnoDay by Aerospace Valley...
- ▶ Make the most of the notoriety of the Cluster's digital directory to leverage your position as an expert in your field.
- ▶ Share your news and successes on the Cluster's communication channels: social media, newsletter, website, Connect by Aerospace Valley collaborative platform, etc.
- ▶ Become a partner in events organized by the Cluster in line with your topics to reach your target audiences.

SHARE YOUR GOALS AND GET SUPPORT FROM OUR EXPERTS

- ▶ Get support in developing your strategy and improving your skills to boost your competitiveness.
- ▶ Take part in technical workshops and webinars organised by the Cluster
